Fort Worth, TX 76102

Practice Areas:

- Head of Operations
- Client service

Experience:

Lorna Kuether-Alvey is highly organized. She has over three decades experience in high level project management and client service systems. Lorna's experience includes assisting CEOs in creating and managing customer service departments and coordinating large conventions throughout the United States. In addition, she has managed an accounting department.

She has over seventeen years' experience in the financial services industry. Starting as a Service Assistant, Lorna was quickly promoted to Financial Advisor and then to the founding of WWK.

Lorna couples her organization skills with her wonderfully caring nature to assure that WWK provides efficient, thoughtful service that is responsive.

Personal:

Her greatest accomplishment has been raising a beautiful daughter as a single mother.

Lorna has lived in the Fort Worth area for 30 years. Her daughter is now a local school teacher and she has one stepdaughter that is attending college. Lorna and her loving husband enjoy their time on Lake Worth and travelling.

Community Service:

- Captain of Neighborhood Citizens on Patrol for the Fort Worth Police Department
- Past board member, Lake Country Christian school
